

Dear Guest,

On behalf of the Sheraton Agoura Hills and our wonderful team, we're thrilled to have you & your guests stay with us over your wedding weekend! During your stay in the area, you may be interested in acquiring transportation for you & your guests. If so, please follow our advised directions below!

Please understand that while we are pleased to assist with the provision of this service, you do ultimately have the option to make your own transportation arrangements, should you prefer. It should also be noted that the final delivery of this service is ensured by our third party transportation partner and that the Sheraton Agoura Hills assumes no responsibility for any element of this service, which is entirely beyond our control.

Here's a step-by-step breakdown on how you can best coordinate & plan the day-of transportation!

- 1) Please review the rates & vehicles offered through our partnering transportation providers
- 2) Please reach out to the company(ies) of your choice and explain to the representative that you're coordinating a room block at the Sheraton Agoura Hills and need a transportation service for your event. Please let the respective company know that you've been referred by the Sheraton Agoura Hills.
- 3) At this point, you & the representative of the company will develop a timeframe & schedule that will best fit the needs & logistics of your wedding guests.
- 4) A confirmation of this service will be sent to both you & our hotel sales team. We keep track of your schedule so that our hotel staff is aware of the day-of plans and so that we can convey these details to your guests, if they have related questions.
- 5) If you decide that overtime beyond the original timeframe is needed, please let the shuttle company know and they'll bill you prior to the event. If any unscheduled overtime or clean-up fee is accrued, the shuttle company will bill you post-event.
- 6) Any timing changes will be handled by the shuttle company directly. If you need to cancel your vehicle, please make sure both the company and the hotel are aware of this decision.
- 7) If you'd like to have signage or flyers distributed to your hotel-affiliated guests, please let the Hotel Sales Team know so we can prepare accordingly.

As the Agoura Hills & Ventura County area becomes an increasingly popular destination for wedding venues, transportation options will often sell-out several weeks prior to the day-of-use. In other words, the earlier you contact these companies, the better chance you'll find the right vehicle and timeframe for you!

Again, we greatly value your business and look forward to a memorable & exciting weekend at the Sheraton Agoura Hills!

- Legacy Car Rental -
Phone - (310) 477-5444
Representative - Anita Esfandiari
Email - anita@legacycarrental.com

- We also partner with a car rental company; a perfect option if you're looking for more of a flexible transportation solution. This company can either drop off the desired rental car at the Sheraton for pick-up or leave a car for you at a designated pick-up location near LAX or similar local airport. For further quotes or information, please contact a Legacy representative directly! Here's a list of some of their vehicle options for rent...
